How did you find out about our Nursery School?

Has your child ever attended Nursery School or Day Care before?

Is your child allergic to anything? If so, what?

Does your child have any special medical problems?

If so, what are they and are there any restrictions?

Is there any other information that you feel we should know in order to ensure a positive Nursery School experience for your child?

Do you prefer Preschool 3-yr-old or 4-yr-old class?

Sincerely,
The Nursery School Staff
